

PENETRATING AID

This biodegradable non-ionic soil conditioner reduces to allow faster and deeper penetration into soil. It helps to eliminate soil compaction, dry spots and water run-off. Proper use of this non-ionic turf conditioner will promote large, deeper and healthier root systems for more vigorous turf growth.

This product is compatible in tank mixes with most liquid fertilizers, insecticides and micro-nutrient solutions.

CAUTION:

May irritate eyes. See side panel for further cautions and first aid instructions.
