DESCRIPTION

CITRIPMAX CRUSH uses the power of all-natural solvents to power through grease and oil. d'Limonene, an orange peel extract, is so powerful, it will even remove tar and asphalt from tools and equipment, yet will not harm most paints. Use CITRIPMAX CRUSH as an oven and grill cleaner, laundry pre-spotter, decal remover, adhesive remover, printing ink remover, and odor counteractant. CITRIPMAX CRUSH's non-staining formula will also remove gum and wax from rugs, carpets, upholstery and other fabrics.

DIRECTIONS

Remove cap and spray directly on the surface to be cleaned. Allow it to work for 30 seconds. Flush away loosened grease and grime deposits with water. On fabrics and plastics, test in an inconspicuous area before use.

CAUTION - COMBUSTIBLE

CONTENTS UNDER PRESSURE. Harmful if swallowed. Eye and skin irritant. Keep away from heat, spark or open flame. Do not expose to temperatures above 120°F. Do not puncture or incinerate can. Avoid contact with eyes and mucous membranes. Avoid prolonged or repeated contact with skin. Use with adequate ventilation.

FIRST AID:

IF SWALLOWED: Do NOT induce vomiting. Give person several glasses of water and obtain immediate medical assistance.

IF IN EYES: Flush with plenty of cool water for at least 15 minutes. If irritation persists, obtain medical assistance.

IF INHALED: Remove person to fresh air.

IF ON SKIN: Wash with soap and water.
