

For hands that are "Naturally Clean" use the power of all natural orange peel extracts to remove stubborn dirt and grease. This premium hand cleaner contains special detergents designed for gentle yet effective cleaning of dirty hands that ordinary soaps won't touch – even when there is no water available. Fortified with lanolin and other skin emollients to help prevent skin chapping and irritation, and keeps hands feeling soft and comfortable. The most powerful, practical and most economical way to clean hard working hands!
