

Fresh scents and powerful odor neutralizing action make this glycolized odor control ideal for use in rest rooms, storage area, hospital and nursing home rooms, motel and hotel rooms, air conditioning ducts, elevators, kitchen, dining, conference and meeting rooms. Simply mist into the air to suppress stale, musty, or burnt odors, medicinal, food and cooking odors, cigar, cigarette, pet and body odors.

This non-staining formula may be used to control odors on fabrics and hard surfaces. Spray directly onto garbage cans, disposals and compactors, linen hampers, ash trays, urns, toilets, urinals, bed pans, sink, shower, tub and floor drains, cabinets, laundry chutes, washing machines, drapes, rugs, carpets, and furniture.

### CAUTION

May irritate eyes. See side panel for further cautions and first aid instructions.

Always test fabrics for color fastness in an inconspicuous place.

Use this glycolized odor control regularly to deodorize floors and rugs. Just add 2 to 3 ounces to the mop bucket, rug shampoo, or extractor solution tank.

### CAUTION

May irritate eyes. In case of contact, flush eyes and under eyelids with plenty of cool water for at least 15 minutes. If swallowed, give several glasses of water and induce vomiting. Call a physician immediately.
