DESCRIPTION

This powerful aerosol cleaner is specifically designed for use on stainless steel, chrome, aluminum, brass, copper and most other metal surfaces. When applied as directed, this product will clean and restore a high luster while leaving a protective coating to aid in retarding tarnishing of the surface.

DIRECTIONS

Remove protective cap. Spray surface to be cleaned liberally. Wipe with a clean, damp cloth leaving a small amount of residue on the surface. With a clean, dry cloth polish to a high luster.

**DANGER:
EXTREMELY FLAMMABLE**

Harmful or fatal if swallowed. Use only with adequate ventilation. Keep out of reach of children. Contents under pressure. Do not expose to heat or store at temperatures exceeding 120°F. Do not use near sparks or open flames. Do not puncture or incinerate container. Wrap empty container and put in trash collection.

FIRST AID:

If Swallowed: Do not induce vomiting. Get medical attention immediately.

If Inhaled: Remove to fresh air. Get medical attention if victim shows signs of illness.

If on Skin: Wash with soap and water. Consult a physician if irritation persists.

If in Eyes: Flush with liberal amounts of water. Consult a physician if irritation persists.
