

This product is formulated to give you sparkling clean tubs, tiles and bath fixtures. It makes a thick foam that clings to vertical surfaces for superior cleaning power and fewer streaks. High performance detergents and mild acid cleaners will quickly remove the toughest iron stains, hard water deposits and soap scum.

DIRECTIONS

Use a foaming trigger sprayer for best results. Apply foam to the surfaces and allow to act for several seconds. Wipe away soils and stains with a damp sponge or cloth, or rinse with clean water.

Do **NOT** use on marble, colored grout or polished aluminum surfaces.

REMOVES TOUGH MINERAL STAINS AND SOAP SCUM
READY-TO-USE MILD ACID CLEANER

WARNING

Severe eye irritant. Avoid contact with eyes or mucous membranes and clothing. See side panel for additional precautionary statements and first aid instructions.
