**DESCRIPTION**

VANDAL MARK REMOVER removes unsightly markings caused by crayons, spray paint, ball point pens, pencils, markers, ink, lipstick and scuff marks. This product can be used on most surfaces: steel, tile, glass, chrome, marble, porcelain, Formica, most plastics, etc.

**RECOMMENDATIONS:** Pre-test the surface in a hidden area before using, as this product may affect some painted surfaces, asphalt tile and some plastics.

**DIRECTIONS**

Remove protective cap and direct spray toward area to be treated from a distance of 10 to 12 inches. Let stand 30 seconds. Wipe off with a clean cloth or sponge. Stubborn stains may require a second treatment or the use of a brush.

**WARNING:** This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.

**DANGER: EXTREMELY FLAMMABLE**

Avoid breathing vapor. Harmful or fatal if swallowed. Use only with adequate ventilation. Keep out of reach of children. Contents under pressure. Do not expose to heat or store at temperatures above 120°F. Do not use near sparks or open flames. Do not puncture or incinerate container. Wrap empty container and put in trash collection.

**FIRST AID:**

**If Swallowed:** Do not induce vomiting. Get medical attention immediately.

**If Inhaled:** Move to fresh air. Get medical attention if victim shows signs of illness.

**If On Skin:** Thoroughly wash with soap and water. Get medical attention if irritation persists.

**If In Eyes:** Flush with liberal amounts of water. Consult physician if irritation persists.

This product is designed exclusively for industrial and institutional use by trained personnel. This product is sold as is and the manufacturer makes no warranty, express or implied, of merchantability, fitness for a particular purpose or otherwise.
